13:30-14:30

Career takeaway: conscious shaping of professional image – AULA B

Moderator: Kateryna Khvishchuk – Human Resources and Talent Development Manager at DXC Technology

Description: Our workshop is a meeting aimed at students who are planning to start looking for their first job soon and want to learn how to effectively build their personal brand in a corporate environment. In an accessible and practical way, we will show you how to consciously shape your professional image in order to stand out among candidates and better position yourself in the team. “Career takeaway” is an ideal opportunity to take away specific tips and tools to help you start your career and find your way in a new work environment. Finally, we will also present the available employment opportunities at DXC Technology – you may be the one to start your professional adventure with us!
